کمپنی اپنے ملازمین کی حفاظت، صحت اور کام کے آرامدہ ماحول کو اور بہتر کرنے کیلئے کوشش کر رہی ہے۔

عامر حمید
چیرمین

لاہور

مورخہ 05 - اکتوبر 2023

DIRECTORS' REPORT

The directors are pleased to present the 62nd annual report along with the audited financial statement for the year ended 30 June 2023.

Operating & Financial Results:

During the year, net revenue from sales were Rs. 1.052 Billion as compared to Rs. Rs 1.342 Billion during the previous year. Gross loss for the year is Rs. 109.482 Million as compared to gross profit of Rs. 37.645 Million in the preceding year. The company has incurred a net loss after taxation of Rs.157.918 Million as compared to net loss of Rs. 11.370 Million in last year. Major reason for the loss is unprecedented high cost of fenenergy during the year. This was mainly driven because of appreciation of dollar to record high, Russia Ukraine war, political instability and withdrawal of RCET (regionally competitive energy tariff). Also There is a price differential in energy prices (gas) between Sind and Punjab which is also a factor in high fuel cost for Punjab based spinning sector. Last year floods had severely damaged the cotton crop and hundreds of acres were wiped out and resulted in low production and quality of crop. Further we did not have any working capital limits which would help us in procuring the quality cotton as a result and we had to purchase the cotton on regular basis as per our requirement and cotton market remained in inflationary pressure due to the scarcity of production and quality of cotton crop. This also severely affected the operations and profitability of company as local yarn prices was not able to inflated to the extent of increase in cotton price.

It is quite challenging in today's business environment to keep the Company afloat in these circumstances. The Directors of your Company are committed to run the Company at any cost and therefore we are doing our utmost to make your Company more competitive by following best practices and making the Company more viable

EPS:

Earnings per share (basic) for the year ended June 30, 2023 is Rs. -11.45 (2022:Rs-0.82)

Future Prospects:

At present Pakistan is in its worst economic turmoil, inflation is at all time high and Pakistani rupee has been depreciated to record low. Exports have declined by over 8%, whereas imports are increasing, putting the targeted current account deficit at risk. Number of mills have either shut their operations or curtailed the production.

Despite challenges like heat wave, poor picking and bug attacks, Pakistan's cotton production appears promising this year. The All Pakistan Textile Mills Association (APTMA) has partnered with the Punjab Government to revive cotton production through various strategies. Immediate actions include supporting emergency spray operations and allocating funds for the distribution of MATOI, a pesticide effective against whiteflies. These efforts have led to a 23% increase in cotton sowing, from 5.12 million acres to 6.6 million acres, and a projected cotton production of 12 million bales for the season. However, a severe whitefly infestation threatens these gains, causing crop damage and putting local farmers at risk. APTMA has funded the distribution and application of MATOL, another effective pesticide, in several affected districts. Despite these challenges, the outlook remains optimistic, with total production expected to be around 9 million bales. This will help in stabilizing the cotton prices and it's availability as compared to last year and hence it will improve the profitability.

Revival of textile industry was mainly based on providing the energy at RCET (regionally competitive energy tariff) which helped the Punjab based textile sector to compete regionally. However because of its withdrawal and depreciation of Pakistani rupee to record low against the dollar has made the energy cost unbearable. The industry was encouraged to shift from gas-based Captive Power Generation to the national power grid to save gas but the grid electricity apart from being uncompetitive is unreliable and substandard, reducing effective production capacity.

APTMA has recently stepped up its efforts to ensure that the export industry stays operational which is only possible if they get an uninterrupted supply of electricity at competitive rates. To achieve this goal, one of the options under active consideration is, getting RLNG/ Gas power plant(s) dedicated to supplying electricity to the export industry across Pakistan by wheeling. In addition to this there is a proposal for setting up or securing supply from the solar power plant(s) and new hydel power plant(s), which are not connected to the national grid to date and have a lower energy tariff. If this happens then these steps will bring the energy cost down for the export-oriented units to a sustainable level.

We are fully aware of the challenges and are prepared to do everything possible to mitigate the adverse impact of such an event as far as it is under the control of management. We remain hopeful of the improving macro and micro economic situation of the Country.

Emphasis of Matter in Auditor's Report

The auditors have raised observation as to going concern of the Company due to losses during the year. As discussed earlier during the year Pakistan was facing its worst economic conditions and input costs were at all time high due to scarcity of cotton crop and high energy cost. However bumper cotton crop production this year will bring the stability to cotton price. Also the quality of crop is much better than previous year which will help in better yarn prices. Subsequent to reporting date, the operating result of the Company have improved. We believe that worst economic conditions are over and hopeful that it will improve in future. The directors are fully committed to run the company at any cost and are committed to inject more funds if and when will be required and therefore the directors consider it appropriate and have prepared the financial statements on going concern basis

Payment of Dividend:

No dividend has been declared by the Board of directors during the year due to losses.

Corporate & Financial Reporting Framework:

- The financial statements prepared by the management of the Company, present its state of affairs fairly, the results of its operations, cash flows and changes in equity.

ڈائریکٹر رپورٹ

کمپنی ڈائریکٹر 30 جون 2023ء کو ختم ہونے والے سال کی 62 ویں سالانہ رپورٹ بمعہ مالیاتی حسابات اور آڈٹ رپورٹ پیش کرتے ہیں۔
آپریٹنگ اور مالیاتی نتائج:

سال رواں کمپنی کی سیلز 1.052 ملین روپے رہی جبکہ پچھلے سال 1.342 ملین روپے تھی۔ اس سال گراس نقصان 109.482 ملین روپے رہا جبکہ پچھلے سال 37.645 ملین روپے کا گراس منافع تھا۔ کمپنی کو اس سال 157.918 ملین روپے کا نیٹ نقصان ہوا جبکہ پچھلے سال 11.370 ملین روپے کا نقصان تھا۔ اس سال نقصان کی بنیادی وجہ انرجی کی قیمتوں میں ہوشربا اضافہ تھا۔ اس اضافے کی وجوہات میں روپے کی قدر میں ریکارڈ کی، عالمی مارکیٹ میں تیل کی قیمت میں یوکرین اور ریشیا کی جنگ کی وجہ سے اضافہ، سیاسی اہتری اور ٹیکسٹائل انڈسٹری کو مسابقتی قیمت میں بجلی کی فراہمی کو معطل کرنا ہے۔

گزشتہ سال سیلاب کی وجہ سے کپاس کی فصل کو بہت نقصان پہنچا جس کی وجہ سے کپاس کی کوالٹی اور پیداوار شدید متاثر ہوئی نتیجتاً کپاس کی قیمت میں اضافہ ہوا۔ مذید ہمارے پاس ورکنگ کپٹیل کی لمٹ نہیں تھی۔ جس کی وجہ سے ہم کو مارکیٹ سے ہی دستیاب ریٹوں پر میسر کپاس یعنی بڑی جس کی وجہ سے بھی پیداواری لاگت میں اضافہ ہوا۔ انرجی اور کپاس کی قیمتوں میں جتنا اضافہ ہوا اتنا دھاکے کی قیمت بڑھنے لگی جسکی وجہ سے پیداواری نقصان ہوا۔

ان حالات میں کمپنی کو چلائے رکھنا کافی چیلنجنگ ہے لیکن کمپنی کے ڈائریکٹر کمپنی چلائے رکھنے کے لیے ہر ممکن تگ و دو کیلئے تیار ہیں۔

فی شیئر آمدنی:

30 جون 2023ء کے لئے فی شیئر آمدنی 11.45 - روپے رہی (2022: 0.82 - روپے)

مستقبل کے امکانات:

حالیہ وقتوں میں پاکستان اپنی تاریخ کے بدترین معاشی حالات سے نہرو آزماتے۔ مہنگائی اپنے عروج پر ہے اور روپے کی قدر میں ریکارڈ کی ہوئی ہے۔ سال رواں میں کئی ملز یا توبہ ہو گئی ہیں یا انھوں نے اپنی پیداواری صلاحیت میں کمی کی ہے۔

تمام نامساعد حالات کے باوجود اس سال کپاس کی فصل میں بہتری ہوئی ہے۔ اپنا نے حکومت پاکستان کے ساتھ ملکر کام کیا ہے تاکہ کپاس کی فصل بہتر ہو سکے نتیجتاً کاشت کے رقبے میں 23% اضافہ ہوا ہے اور پیداواری ٹارگٹ 12 ملین بیگز مقرر کیا گیا ہے۔ البتہ سفیدکھی کے حملے نے اس ٹارگٹ کو متاثر کیا ہے لیکن اپنا نے کیول پرائیک فنڈ قائم کیا گیا ہے تاکہ بروقت دوائی کا سپرے کر کے اس کے نقصانات کو کم کیا جاسکے۔ اس سال بہتر فصل ہونے سے کپاس کی قیمت مستحکم رہیں گی جسکی وجہ سے کمپنی مارجنز بہتر رہنے کی امید ہے۔

ٹیکسٹائل سیکٹر کی بحالی کی بنیادی وجہ مسابقتی قیمتوں میں انرجی کی فراہمی تھی لیکن اسکے منقطع کئے جانے اور روپے کی قیمت میں ریکارڈ کی نے انرجی کی قیمت کو ملکی مخصوص پنجاب کی انڈسٹری کیلئے ناقابل برداشت بنادیا ہے۔ اس کے علاوہ صوبوں کے مابین قیمتوں میں تفاوت نے پنجاب ٹیکسٹائل کو بری طرح متاثر کیا ہے۔ جسکی وجہ سے کئی ملز یا تو بند ہو گئی ہیں یا ان کو اپنی پیداواری صلاحیت میں کمی کرنی پڑی۔ کمپنی پاورز کی حوصلہ افزائی کی گئی کہ وہ مسابقتی قیمت میں بجلی کی فراہمی کی وجہ سے گیس کی بجائے گرڈ کی بجلی کا استعمال کرے لیکن گرڈ کی بجلی کے غیر اعلانیہ بند ہونے یا لوٹنگ کے اوپر نیچے ہونے سے پیداواری لاگت میں اضافہ ہو۔ پنجاب اور دیگر صوبوں میں انرجی کی قیمتوں میں تفاوت کو ختم کرتے ہوئے ایک ہی قیمت پر بجلی اور گیس مہیا کی جانی چاہئے تاکہ پنجاب کی انڈسٹری کی بقا ہو سکے۔

اس چیز کو مد نظر رکھتے ہوئے اپنا اس کاوش میں لگی ہوئی ہے کہ ایکسپورٹ انڈسٹری کی بقا کیلئے ضروری ہے کہ بجلی مسابقتی قیمت میں دستیاب رہے۔ اس مقصد کو حاصل کرنے کیلئے اپنا مختلف آپشنز پر کار کر رہی ہے۔ جن میں سے ایک پاور پلانٹ کا حصول ہے جو ویل آف کے تحت صرف ایکسپورٹ انڈسٹری کو بجلی فراہم کرے۔ اس کے علاوہ شمسی اور ہائیڈل پاور پلانٹس کو قائم کر کے یا ان سے سپلائی حاصل کرنے کیلئے ایک تجویز ہے جو کہ ابھی فیصلہ گرڈ سے منسلک نہیں اور ان کا انرجی ٹیرف کم ہے۔ ہم ان تمام چینجز سے بخوبی آگاہ ہیں اور ان سے نمٹنے کیلئے تیار ہیں۔ ہم آنے والے سالوں میں ملکی معیشت کے مستحکم ہونے کیلئے پرامید ہیں۔

ایمفیوزز آف میٹر پیرا گراف:

آڈیٹرز نے کمپنی کے گراس نقصان کی وجہ سے اسکے چلتے رہنے پر سوال اٹھایا ہے۔ جیسے کہ پہلے بیان کیا جا چکا ہے کہ پاکستان اپنے بدترین معاشی بحران سے گزر رہا ہے اور پچھلے سال پیداواری لاگت کپاس کی کم دستیابی اور انرجی کی قیمت میں ریکارڈ اضافے کے باعث تاریخ کی بلند ترین سطح پر رہی۔

البتہ اس سال کپاس کی فصل بہتر ہونے سے قیمتیں مستحکم رہیں گی اور اچھی کوالٹی کی وجہ سے مارجنز بڑھیں گے۔ ہم لوگوں کے خیال میں سے پاکستان اپنے بدترین معاشی دور سے گزر چکا ہے اور ایک بہتر مستقبل کیلئے پرامید ہیں۔ ہم کمپنی کو ہر حال میں چلانے کیلئے پرعزم ہیں اور ضرورت کے وقت اس میں فنڈز ڈالتے رہیں گے جیسے کہ پچھلے سال بھی کیا اسی بنیاد پر کمپنی کے حسابات گونگ کنسرن کی بنیاد پر تیار کیلئے گئے ہیں۔

ڈیویڈنڈ کی ادائیگی:

رواں سال نقصان کی وجہ سے کوئی ڈیویڈنڈ تجویز نہیں کیا گیا۔

کارپوریٹ گورننس اور مالیاتی رپورٹنگ کا طریقہ کار:

1- کمپنی انتظامیہ کی طرف سے تیار کردہ مالیاتی حسابات، اسکے امور آپریشنز کے نتائج، نقدی بہاؤ اور ایکویٹی میں تبدیلیوں کو منصفانہ طور پر ظاہر کرتے ہیں۔

2- کمپنی کے کھاتہ جات بالکل صحیح طور سے بنائے گئے ہیں۔

3- مالی حسابات کی تیاری میں مناسب اکاؤنٹنگ پالیسیوں کو تسلسل کے ساتھ لاگو کیا گیا ہے اور اکاؤنٹنگ کے تخمینہ جات مناسب اور دانشمندانہ فیصلوں پر مبنی ہیں۔

4- مالی حسابات کی تیاری میں پاکستان میں لاگو بین الاقوامی مالیاتی رپورٹنگ کے معیارات کی پیروی کی گئی ہے۔

5- اندرونی کنٹرول کے نظام کا ڈیزائن مستحکم ہے اور اسکی موثر طریقے سے عمل درآمد اور نگرانی کی جاتی ہے۔

6- گزشتہ چھ سال کا کلیدی آپرینٹنگ اور مالیاتی شماریات منسلک ہیں۔

7- پیٹرن آف شیئر ہولڈنگ برائے سال 30 جون 2023 کا انکشاف کوڈ آف کارپوریٹ گورننس کے مطابق اس رپورٹ کے ساتھ منسلک ہے۔

8- کمپنی نے کارپوریٹ گورننس کے بہترین طریقہ کو اختیار کیا ہے جو کہ سسٹم ریکولیشن آف سٹاک ایکسچینج کے مطابق ہے۔

اندرونی کنٹرول کا نظام:

کمپنی نے ہمیشہ اندرونی کنٹرول کے نظام کا ڈیزائن مستحکم ہونے پر زور دیا ہے اور اس کی موثر طریقے سے عمل درآمد اور نگرانی کی جاتی ہے۔

قانونی ادائیگیاں:

کوئی قانونی ادائیگی واجب الادا نہیں جو 30 جون 2023 کو بقایا ہو ماسوائے ان کے جن کا مالی حسابات میں ظاہر کیا گیا۔

بورڈ آف ڈائریکٹر کی ترتیب:

کل ڈائریکٹر ان بشمول چیف ایگزیکٹو کی تعداد 7 ہے۔ جن میں سے 5 میل ڈائریکٹر اور 2 فی میل ڈائریکٹر ہے۔

بورڈ آف ڈائریکٹر کی کمپوزیشن درج ذیل ہے۔

☆ انڈیپنڈنٹ ڈائریکٹر
نام
عمری الدین ملک

☆	ایگزیکٹو ڈائریکٹرز	محمد حمید	زینب خان
☆	نان ایگزیکٹو ڈائریکٹرز	عامر حمید	طارق حمید
☆	خاتون ڈائریکٹر	سعدیہ حمید	زینب خان
		سعدیہ حمید	

بورڈ آف ڈائریکٹر کے اجلاس ختم ہونے والے سال 30 جون 2023ء میں 16 اجلاس ہوئے۔ حاضری کی پوزیشن مندرجہ ذیل ہے:

☆	محمد حمید	6
☆	اعجاز حمید	3
☆	عامر حمید	6
☆	طارق حمید	6
☆	عمر محی الدین ملک	6
☆	مرقسی حمید	6

ہیومن ریسورس اینڈ ریمونریشن کمیٹی کے 2 اجلاس ہوئے حاضری درج ذیل ہے:

☆	زینب خان	2
☆	عامر حمید	2
☆	عمر محی الدین ملک	2

کیٹیل و پکنیسی

سال رواں ہمارے چیئرمین اعجاز حمید صاحب کی رحلت کے باعث بورڈ میں کیٹیل و پکنیسی ہوئی۔ بورڈ نے سعدیہ حمید کو بطور ڈائریکٹر ان کی جگہ تقرری کی۔ گریجویٹ فنڈ کی ویلیو آف انویسٹمنٹ:

کمپنی نے اپنے ملازمین کیلئے گریجویٹ فنڈ برقرار رکھا ہوا ہے لیکن اس 30 جون 2023ء کو کوئی پلان ایسٹ اس لائبلٹی کو گورنریس کرتا۔

حسابات کی کتب:

کمپنی نے اپنے رجسٹرڈ آفس میں مکمل حسابات کی کتب رکھی ہوئی ہیں۔

ڈائریکٹرز کا مشاہرہ:

ہیومن ریسورس اور ریونیو نریشن کمیٹی نے ڈائریکٹرز کے مشاہرہ کی پالیسی تیار کی اور اسے بورڈ کو تجویز کیا ہے جو کہ منظور کر لی گئی۔ یہ پالیسی کمیٹی ایکٹ 2017، کمپنی کے آرٹیکل آف ایسوسی ایشن اور کوڈ آف کارپوریٹ گورننس ریگولیشن مارکیٹ سٹینڈرڈ اور کام کو مد نظر رکھ کر تیار کی گئی۔ جو ڈائریکٹرز مشاہرہ لیتے ہیں انہوں نے اس پالیسی کو بنانے میں حصہ نہیں لیا۔

آڈیٹرز:

میسرز کرو حسین چوہدری اینڈ کمپنی ریٹائر ہو گئے ہیں۔ اہل ہونے کی بناء پر سال 30 جون، 2024 کو ختم ہونے والے سال کیلئے بطور آڈیٹر دوبارہ تقرری کیلئے خود کو پیش کرتے ہیں۔ اور آڈٹ کمیٹی بھی ان کے تقرری کی سفارش کرتے ہیں جسکو بورڈ آف ڈائریکٹرز کی بھی تائید حاصل ہے۔

کوڈ آف کنڈکٹ:

بنایا گیا کوڈ آف کنڈکٹ تمام ڈائریکٹرز اور کمپنی کے ملازمین کو ارسال کیا گیا اور اسکی تصدیق بھی کی گئی۔

متعلقہ پارٹی کی ٹرانزیکشن:

متعلقہ پارٹی کی تمام ٹرانزیکشن لسٹڈ ریگولیشنز آف سٹاک ایکسچینج کے بیان کئے گئے بہترین طریقوں کے مطابق کی گئی۔ ان ٹرانزیکشن کی تفصیل فنانشل سٹیٹمنٹ کے نوٹ نمبر 32 میں بیان کی گئی ہے۔ تمام ٹرانزیکشن کو آڈٹ کمیٹی کے جائزہ کیلئے رکھا گیا اور ان کی سفارش پر بورڈ آف ڈائریکٹرز نے ان کا جائزہ لیا اور ان کو منظور کیا۔

کارپوریٹ سوشل ذمہ داری:

آپ کی کمپنی کراچی کارپوریٹ سوشل ذمہ داری کا بخوبی احساس ہے اور وہ صحت اور ماحولیات کو اچھا رکھنے کیلئے اپنے تئیں اپنی ذمہ داری پوری کر رہی ہے۔

تحفظ، صحت اور ماحول:

ہم اپنے ملازمین اور عوام کیلئے اعلیٰ معیار کے تحفظ، صحت اور ماحول کیلئے پرعزم ہیں۔ ہم اپنے ملازمین کو صاف ستھرا، صحت مند اور محفوظ حالات فراہم کرنے کے لئے پرعزم ہیں۔ ہمارے تمام ملازمین کو اپنے تحفظ کی، محفوظ پیداوار کی اور خام مال کی محفوظ ادائیگی، پیڈلنگ اور سٹوریج کی مشق کروائی جاتی ہے۔ ان مشقوں اور اللہ تعالیٰ کے خصوصی کرم کی وجہ سے کوئی بڑا حادثہ نہیں ہوا۔

پیٹرن آف شیئر ہولڈنگ:

پیٹرن آف شیئر ہولڈنگ اور اضافی معلومات علیحدگی سے منسلک ہیں۔ کمپنی کے شیئرز میں چیف ایگزیکٹو، سی ایف او اور کمپنی سیکرٹری، ان کے سپاؤز نے اور ان کے چھوٹے بچوں نے کوئی تجارت/ کاروبار نہیں کیا ہے۔

بہداز واقعات:

کمپنی کے مالی سال کے ختم ہونے سے اس رپورٹ کی تاریخ تک کوئی ایسی خاص میٹریل میں تبدیلی نہیں آئی۔

اعتراف:

کمپنی اپنے ملازمین، شیئر ہولڈرز اور بینکرز کے مسلسل تعاون پر شکریہ ادا کرتا ہے۔

STATEMENT OF COMPLIANCE WITH THE LISTED COMPANIES
(CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019
FOR THE YEAR ENDED 30 June 2023

Service Industries Textile Limited ("the Company") has complied with the requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the "Regulations") in the following manner: -

1. The total number of directors are 7 as per the following:
 - a. Male: 5
 - b. Female: 2
2. The composition of the Board is as follows:

Category	Names
Independent Director *	Mr. Omar Mohyud Din Malik Ms. Zainab Khan
Executive Directors	Mr. Mohammad Hameed Mr. Murtaza Hameed
Non-Executive	Mr. Aamer Hameed Mr. Tariq Hameed Ms. Sadia Hameed
Female Director	Ms. Zainab Khan Ms. Sadia Hameed

*For a Board comprising of seven members, one-third equates to 2.33. Two independent directors have been appointed, hence it fulfills the requirement of minimum two (2) independent directors. Furthermore, the two independent directors have the requisite skills and knowledge to take independent decisions. Therefore, the fraction of 0.33 in such one-third is not rounded up as one this time.

3. The directors have confirmed that none of them is serving as a director in more than seven listed companies, including this Company.
4. The Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures.
5. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. The Board has ensured that complete record of particulars of the significant policies along with their date of approval or updating is maintained by the company.
6. All the powers of the Board have been duly exercised and decisions on relevant matters have been taken by the Board / shareholders as empowered by the relevant provisions of the the Act and these regulations.
7. The meeting of the Board was presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose .The Board has complied with the requirements of this Act and regulations with respect to frequency, recording and circulating minutes of the meetings of the Board.
8. The Board of Directors has a formal policy and transparent procedures for remuneration of directors in accordance with the Act and these Regulations.
9. Three members of the Board are exempted from Directors' Training Program by virtue of their requisite qualification and required experience of serving on the Board of a listed company, and three have attended the Directors' Training Program as prescribed.
10. The Board has approved appointment of CFO, Company Secretary, and Internal Auditor including their remuneration and terms and conditions of employment and complied with relevant requirements of Regulations.
11. CFO and CEO duly endorsed the financial statements before the approval of the Board.

12. The Board has formed committees comprising of the members given below:

a) Audit Committee

i) Omar Mohyud Din Malik	Chairman
ii) Zainab Khan	Member
iii) Tariq Hameed	Member

b) HR & Remuneration Committee

i) Zainab Khan	Chairperson
ii) Aamer Hameed	Member
iii) Omar Mohyud Din Malik	Member

13. The terms of reference of the aforesaid committees have been formed, documented and advised to the committee for compliance.

14. The frequency of meetings (quarterly/half yearly/ yearly) of the committees was as per following:

a) Audit Committee:	4
b) HR and Remuneration Committee:	2

15. The Board has outsourced the internal audit function to Awan & Co Chartered Accountants who are considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the Company. They are involved in the internal audit functions on full time basis.

16. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan and registered with Audit Oversight Board of Pakistan, that they and all their partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the Institute of Chartered Accountants of Pakistan and that they and the partners of the firm involved in the audit are not a close relative (spouse, parent, dependent and non-dependent children) of the chief executive officer, chief financial officer, head of internal audit, company secretary or director of the company.

17. The statutory auditors or persons associated with them have not been appointed to provide other services except in accordance with the Act, these Regulations or any other regulatory requirement and the auditors have confirmed that they have observed IFAC guidelines in this regard.

18. We confirm that all requirements of regulations 3, 6, 7, 8, 27, 32, 33 and 36 of the Regulations have been complied with.

19. Explanation for non-compliance with requirements, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are given below:

Sr. No.	Paragraph Reference	Description	Explanation
1.	19	By June 30, 2022, all directors shall acquire certification under director training program	Directors' Training Program shall be organized for remaining one Director by or before end of June 30, 2024.

For & on behalf of the Board of Directors

(AAMER HAMEED)
Chairman

**INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF
SERVICE INDUSTRIES TEXTILES LIMITED
REVIEW REPORT ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE
OF CORPORATE GOVERNANCE) REGULATIONS, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Service Industries Textiles Limited ("the Company") for the year ended June 30, 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2023.

Further, we highlight below instance of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the Statement of Compliance:

Sr. No.	Paragraph Reference	Description
1.	9 & 19	One Director out of Seven Directors has not acquired the prescribed certification under the Directors' Training Program as required under clause 19 of the Regulations.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SERVICE INDUSTRIES TEXTILES LIMITED
REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

Opinion

We have audited the annexed financial statements of SERVICE INDUSTRIES TEXTILES LIMITED (the Company), which comprise the statement of financial position as at June 30, 2023 and the statement of profit or loss account, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion, and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2023 and of the loss, its comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 1.3 to the financial statements which indicates that the Company has incurred a net loss for the year amounting to Rs. 157.92million and its current liabilities exceed its current assets by Rs. 225.21 million. These conditions along with negative cash flows from operating activities indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) no Zakat was deductible at source under Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Nasir Muneer.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2023

Note 1

The Company and its Operations

- 1.1 Service Industries Textiles Limited (the Company) was incorporated in Pakistan in 1962 as a Private Limited Company under the repealed Companies Act 1913, (now the Companies Act, 2017) and was subsequently converted into a Public Limited Company in 1970. The Company is domiciled in Pakistan and listed on the Pakistan Stock Exchange. The principal activity of the Company is manufacturing and sale of yarn made from raw cotton and synthetic fibre.
- 1.2 The Information on geographical location and address of the Company's business is as under :
 - The registered office of the Company is situated at 38 - Empress Road, Lahore.
 - The Company's factory is situated at Rehman Shaheed Road, Gujrat.
- 1.3 The Company has accumulated loss of Rs. 233,221,606 (2022: Rs. 90,448,757) as at the reporting date and has incurred net loss for the period under audit of Rs. 157,918,432 (2022: Rs. 11,370,117). Furthermore, current liabilities of the Company exceed its current assets by Rs. 225,209,542 (2022: Rs. 82,773,649) as at the reporting date. These factors raise doubts about the Company being a going concern and therefore, it may be unable to realize its assets and discharge its liabilities in the normal course of business.

However, any adjustments relating to recoverability of recorded assets and liabilities have not been incorporated in these financial statements as the sponsors have injected Rs. 26,720,000 during the current period and committed to provide continuous support as and when required. Subsequent to the reporting date, the operating results of the Company have improved. Furthermore cotton outlook is promising both in terms of quality and quantity which will help stabilize the local cotton yarn market. The Company has also taken certain initiative to achieve increased productivity by adding certain machinery in production process subsequent to the balance sheet date. Keeping in view all these factors, the going concern assumption is considered appropriate and, therefore, these financial statements have been prepared on going concern basis.

Note 2

Basis of Preparation

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except to the extent of following:

Post employment benefit obligations	Note 8	(stated at Present value)
Certain property, plant and equipment	Note 14	(stated at Revalued / Fair value)

2.3 Functional and presentation currency

These financial statements are prepared and presented in Pak Rupees which is the Company's functional and presentation currency. All the figures have been rounded off to the nearest rupee, unless otherwise stated.

*Note 2, Basis of Preparation - Continued...***2.4 Use of estimates and judgments**

The preparation of financial statements in conformity with approved accounting and reporting standards, as applicable in Pakistan, requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on the historical experience, including expectations of future events that are believed to be reasonable under the circumstances.

These estimates and related assumptions are reviewed on an ongoing basis. Accounting estimates are revised in the year in which such revisions are made. Significant management estimates in these financial statements relate primarily to:

- Useful lives, residual values, depreciation method and fair value of property, plant and equipment – Note 4.5 & 14
- Provision for obsolescence of inventories - Note 4.8, 4.9 & 16
- Impairment loss of non-financial assets other than inventories – Note 4.7
- Obligation of post employment benefits - Note 4.2 & 8
- Estimation of provisions - Note 4.1
- Estimation of contingent liabilities - Note 4.20 & 13
- Current income tax expense, provision for current tax and recognition of deferred tax - Note 4.4, 9 & 12

However, the management believes that the change in outcome of estimates would not have a material effect on the amounts disclosed in these financial statements.

Note 3**Changes in Accounting Standards, Interpretations and Pronouncements****3.1 Standards, interpretations and amendments to approved accounting standards which became effective during the year**

Certain standards, amendments and interpretations to IFRS are effective for the year ended June 30, 2023. These standards, amendments and interpretations are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures;

Standard or Interpretation**Effective Date
(Annual Period beginning on or after)**

IAS 37 Provisions, Contingent Liabilities and Contingent Assets [Amendments]
IAS 16 Property, Plant and Equipment [Amendments]
Annual Improvements to IFRS Standards 2018–2020

January 1, 2022
January 1, 2022
January 1, 2022

3.2 Standards, interpretation and amendments to approved accounting standards that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

*Note 3, Changes in Accounting Standards, Interpretations and Pronouncements - Continued...*

Standard or Interpretation	Effective Date (Annual Period beginning on or after)
IAS 1 Presentation of Financial Statements [Amendments]	January 1, 2023
IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors (Amendments)	January 1, 2023
IAS 12 Income Taxes (Amendments)	January 1, 2023
IAS 12 Deferred tax related to assets and liabilities arising from a single transaction — (Amendments)	January 1, 2023
IFRS 16 Lease Liability in a Sale and Leaseback — (Amendments)	January 1, 2024
IAS 1 Classification of liabilities as current or non-current — (Amendments)	January 1, 2024
AS 7 'Statement of Cash Flows' and 'IFRS 7 'Financial instruments disclosures' - Supplier Finance Arrangements (Amendments)	January 1, 2024

Note 4 Significant Accounting Policies

The significant accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented.

4.1 Provisions

Provisions are recognized in the statement of financial position when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. Provisions are not recognized for future operating losses.

4.2 Post employment benefits

"The Company operates an approved, funded defined benefit plan for all of its permanent employees. Under this plan, gratuity is paid to the retiring employees on the basis of their last drawn gross salary for each completed year of service."

Actuarial gains / (losses) arising from experience adjustments and changes in actuarial assumptions for the defined benefits plan are charged or credited to other comprehensive income in the period in which they arise. Past service costs are recognized immediately in the statement of profit or loss.

Provisions are made in the financial statements to cover obligations on the basis of actuarial valuation carried out at each reporting date.

4.3 Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid or given in future for goods and services received or to be delivered or for any other amount, whether or not billed to the Company.

4.4 Income tax expense

Income tax expense for the year comprises current and deferred tax and is recognized in the statement of profit or loss except to the extent that relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in other comprehensive income or equity.

*Note 4, 'Significant Accounting Policies - Continued...***Current**

The charge for current tax is higher of corporate tax (higher of tax based on taxable income and minimum tax) and alternative corporate tax.

Corporate tax is based on taxable income for the year determined in accordance with the prevailing laws of taxation. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profit for the year if enacted after taking into account tax credits, rebates and exemptions, if any. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years. However, in case of loss for the year, income tax expense is recognized as minimum tax liability on turnover of the Company in accordance with the provisions of the Income Tax Ordinance, 2001.

Alternative corporate tax is calculated at 17% of accounting profit, after taking into account the required adjustments.

The Company offsets current tax assets and current tax liabilities if, and only if, the entity has a legally enforceable right to set off the recognized amounts and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Deferred

Deferred tax is recognized using the balance sheet method on all temporary differences between the carrying amount of assets, liabilities and their tax bases.

Deferred tax liabilities are recognized for all major taxable temporary differences.

Deferred tax assets are recognized for all major deductible temporary differences to the extent that it is probable that taxable profit will be available against which deductible temporary differences can be utilized. Carrying amount of the deferred tax asset is reviewed at each reporting date and is adjusted according to the availability of profits. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent of probable future taxable profit available that will allow deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the year when the asset is utilized or the liability is settled, based on the tax rates that have been notified for subsequent enactment at the reporting date.

4.5 Property, plant and equipment

Property, plant and equipment except freehold land, building on freehold land, plant and machinery and electrical equipments which are stated at revalued amount, are stated at cost less accumulated depreciation and identified impairment losses, if any. Revaluation is carried out with sufficient regularity to ensure that the carrying amounts of assets do not differ materially from their fair values. Additions, subsequent to revaluation, are stated at cost less accumulated depreciation and any identified impairment loss.

The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use. Cost in relation to certain assets also includes cost of the borrowing during construction period in respect of loans taken for procuring such assets.

Depreciation on property, plant and equipment, except freehold land, is charged to statement of profit or loss on reducing balance method at the rates specified in note 15 of the financial statements. Where an impairment loss is recognized, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount over its estimated useful life. Incremental depreciation representing the difference between actual depreciation based on revalued carrying amount of the asset and equivalent depreciation based on the original carrying amount of the asset is transferred to equity from surplus on revaluation of property, plant and equipment. All transfers to / from surplus on revaluation of property, plant and equipment are net of applicable deferred taxes.

*Note 4, 'Significant Accounting Policies - Continued...**Note 4.5, Property, plant and equipment - Contd...*

Depreciation on additions is charged from the month in which the assets are available for use while no depreciation is charged in the month in which the assets are disposed off.

Depreciation method, residual value and useful lives of assets are reviewed at least at each financial year end and adjusted if impact on depreciation is significant.

Major repairs and modifications to assets are capitalized while day to day maintenance and normal repairs are charged to statement of profit or loss as and when incurred.

Disposal

The gain or loss on arising on disposal or retirement of an item of property, plant and equipment is determined as difference between sales proceeds and carrying amounts of the asset and is recognized as gain / (loss) on disposal of property, plant and equipment into the statement of profit or loss.

Increases in the carrying amounts arising due to revaluation are credited to revaluation surplus on property, plant and equipment. Decreases that offset previous increases of any other property, plant and equipment of the Company are debited against revaluation surplus directly in equity. All other decreases are charged to statement of profit or loss.

4.6 Borrowing cost

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are charged to statement of profit or loss in the period in which they are incurred.

4.7 Impairment on non - financial assets

Assets that are subject to depreciation or amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. Impairment losses on fixed assets that offset available revaluation surplus are charged against this surplus, all other impairment losses are charged to profit or loss account. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Prior impairments of non-financial assets are reviewed for possible reversal at each reporting date. Where impairment loss is recognized, the depreciation / amortization charge is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value, over its remaining useful life. Any reversal of impairment loss of a revalued asset shall be treated as a revaluation increase.

4.8 Stores and spares

These are valued at lower of moving average cost and net realizable value; whilst items considered obsolete are written off. Cost of items in transit comprises invoice value plus incidental charges paid thereon. Net realizable value signifies the estimated selling price in ordinary course of business less necessary cost to make the sale.

4.9 Stock in trade

These are valued at lower of cost and net realizable value. The cost is determined by using the following basis:

Raw and packing materials	-	Moving average cost
Materials in transit	-	Invoice value plus incidental charges
Work in process	-	Estimated manufacturing cost
Finished goods	-	Average manufacturing cost

Manufacturing cost in relation to work in process and finished goods comprises cost of materials, labor and appropriate manufacturing overheads. Net realizable value signifies estimated selling price in the ordinary course of business less necessary costs to make the sale.

*Note 4, Significant Accounting Policies - Contd...***4.10 Cash and cash equivalents**

Cash and cash equivalents are carried at cost. For the purpose of statement of cash flows, cash and cash equivalents comprise cash in hand and deposit with banks in current and savings accounts, which are free of encumbrances.

4.11 Related party transactions

Transactions with related parties are based on the transfer pricing policy that all transactions between the Company and the related parties are at arm's length prices determined using the comparable uncontrolled price method, except in circumstances where it is not in the interest of the Company to do so.

4.12 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.12.1 Financial assets

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

Classification

Financial assets are classified in either of the three categories: at amortized cost, at fair value through other comprehensive income and at fair value through profit or loss. Currently, the Company classifies its financial assets at amortized cost. This classification is based on the Company's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset. The management determines the classification of its financial assets at the time of initial recognition.

Initial recognition and measurement

All financial assets are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. Regular purchases and sales of investments are recognized on trade-date – the date on which the Company commits to purchase or sell the asset.

Except for trade receivables, financial assets are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through statement of profit or loss. Financial assets carried at fair value through statement of profit or loss are initially recognized at fair value and transaction costs are expensed in the statement of profit and loss account. Dividend income from financial assets at fair value through statement of profit or loss is recognized in the statement of profit and loss when the Company's right to receive payments is established. Trade receivables are initially measured at the transaction price if these do not contain a significant financing component in accordance with IFRS 15. Where the Company uses settlement date accounting for an asset that is subsequently measured at amortized cost, the asset is recognized initially at its fair value on the trade date.

Subsequent measurement

Financial assets measured at amortized cost are subsequently measured using the effective interest rate method. The amortized cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognized in the statement of profit or loss.

Derecognition

Financial assets are primarily derecognised when:

- The rights to receive cash flows from the asset have expired. The difference between carrying amount and consideration received is recognized in statement of profit or loss.

*Note 4, Significant Accounting Policies - Contd...**4.12.1 Financial instruments*

- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

The Company directly reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof.

The Company recognizes an allowance for expected credit losses (ECLs) on a financial asset measured at amortized cost and through other comprehensive income, a lease receivable or a contract asset.

The Company measures, at each reporting date, the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. Where the credit risk on a financial instrument has not increased significantly since the initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

The Company always measures the loss allowance at an amount equal to lifetime expected credit losses for trade receivables or contract assets that result from transactions under IFRS 15 and lease receivables.

The Company recognizes the amount of expected credit losses (or reversal), that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, in the statement of profit or loss.

4.12.2 Financial liabilities**Initial recognition and measurement**

All financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are initially classified at amortized cost except for financial liabilities at fair value through profit or loss, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts, commitments to provide a loan at a below-market interest rate and contingent consideration recognized in a business combination.

The Company does not reclassify any of its financial liabilities.

Financial liabilities are initially recognized at fair value minus transaction costs for all financial liabilities not carried at fair value through profit or loss. Financial liabilities carried at fair value through profit or loss are initially recognized at fair value and transaction costs are credited in the statement of profit and loss.

The Company's financial liabilities include trade and other payables, loans and borrowings, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

*Note 4, Significant Accounting Policies - Contd...**Note 4.12.2, Financial liabilities - Contd...*

Such liabilities are subsequently measured at fair value.

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

The amount of change in the fair value that is attributable to changes in the credit risk of financial liability is presented in other comprehensive income and the remaining amount of change in the fair value of the liability is presented in statement of profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if it eliminates or significantly reduces a measurement or recognition inconsistency or a group of financial liabilities is managed and its performance is evaluated on a fair value basis, in accordance with a documented risk management or investment strategy, and information about the group is provided internally on that basis to the Company's key management personnel. The Company has not designated any financial liability as at fair value through profit or loss.

All other liabilities

All other financial liabilities are measured at amortized cost using the Effective Interest Rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit or loss. Difference between carrying amount and consideration paid is recognized in the statement of profit or loss when the liabilities are derecognized.

Derecognition

"A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in statement of profit or loss."

4.12.3 Offsetting of financial assets and liabilities

A financial asset and a financial liability is offset and the net amount is reported in the statement of financial position if the Company has a legally enforceable right to offset the recognized amounts and the Company intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

4.13 Balances from contract with customers

Contract assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. The Company recognizes a contract asset for the earned consideration that is conditional if the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional. Trade receivables are carried at original invoice amount less expected credit loss based on a review of all outstanding amounts at the year end. Bad debts are written off when identified.

*Note 4, Significant Accounting Policies - Contd...**4.13 Balances from contract with customers - Contd...***Contract liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration from the customer. A contract liability is recognized at earlier of when the payment is made or the payment is due if a customer pays consideration before the Company transfers goods or services to the customer.

4.14 Earnings per Share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit after tax attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit after tax attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for the effects of all dilutive potential ordinary shares.

4.15 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal, or in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk. When applicable, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

When there is no quoted price in an active market, the Company uses valuation techniques that maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The chosen valuation technique incorporates all the factors that market participants would take into account in pricing a transaction. The best evidence of the fair value of a financial instrument at initial recognition is normally the transaction price i.e. the fair value of the consideration given or received. If the Company determines that the fair value at initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, the instrument is then initially measured at fair value, adjusted to defer the difference between the fair value at initial recognition and the transaction price. Subsequently, that difference is credited or charged to the statement of profit or loss on an appropriate basis over the life of the instrument but no later than when the valuation is supported wholly by observable market data or the transaction is closed out. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as of the date of the event or change in circumstances that caused the transfer.

4.16 Foreign currency transactions and translation

All monetary assets and liabilities in foreign currencies are translated into Pak rupees at exchange rates prevailing at the reporting date. Transactions in foreign currencies are translated into Pak rupees at exchange rates prevailing at the date of transaction. Exchange gains and losses are included in the statement of profit or loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

4.17 Revenue recognition

Revenue is to be recognised in accordance with the aforementioned principle by applying the following steps:

- i) Identify the contract with a customer.
- ii) Identify the performance obligation in the contract.
- iii) Determine the transaction price of the contract.
- iv) Allocate the transaction price to each of the separate performance obligations in the contract.
- v) Recognize the revenue when (or as) the entity satisfies a performance obligation.

The Company is in the business of sale of goods. Revenue from contracts with customers is recognised at a point in time when control of the goods is transferred to the customers which is usually at the time of delivery of goods, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods.

Note 4, Significant Accounting Policies - Contd...

4.18 Unclaimed dividend

The Company recognises unclaimed dividend which was declared and remained unclaimed by the shareholder from the date it was due and payable.

4.19 Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components. All operating segments' operating results are reviewed regularly by the Chief Operating Decision Maker (the Chief Executive Officer of the Company) to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available.

Segment results that are reported to the Chief Executive Officer include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items comprise mainly administrative and other operating expenses, and income tax assets and liabilities.

4.20 Contingent liabilities

Contingent liability is disclosed when there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

A contingent liability is also disclosed when there is present obligation that arises from past events but it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

4.21 Dividend and other appropriations

Dividend to the shareholders is recognized in the period in which it is declared and other appropriations are recognized in the period in which these are approved by the Board of Directors.

Note 5

Issued, Subscribed and Paid up Capital

2023	2022		2023	2022
Number of shares			Rupees	Rupees
12,222,988	12,222,988	Ordinary shares of Rs. 10 each	122,229,880	122,229,880
23,400	23,400	Ordinary shares of Rs. 10 each issued for consideration other than cash	234,000	234,000
1,541,179	1,541,179	Ordinary shares of Rs. 10 each issued as fully paid bonus shares	15,411,790	15,411,790
13,787,567	13,787,567		137,875,670	137,875,670

- 5.1 23,400 shares of Rs. 10 each were issued to Pakistan Industrial Credit and Investment Corporation (PICIC) for consideration other than cash. (2022: 23,400 shares)
- 5.2 There are no agreements with shareholders for any specific voting rights, board selection, rights of first refusal and block voting etc.
- 5.3 All ordinary shares rank equally with regard to residual assets of the Company. Ordinary shareholders are entitled to receive all distributions including dividends and other entitlements in the form of bonus and right shares as and when declared by the Company. Voting and other rights are in proportion to the shareholding.
- 5.4 There is no movement in the shares of the Company during the year ended June 30, 2023.

Note 6

Surplus on Revaluation of Property, Plant and Equipment

	1,101,751,321	1,116,932,691
Incremental depreciation charged on revalued property, plant and equipment in current year transferred to retained earnings - net of deferred tax	(14,956,761)	(13,974,370)
Surplus realized on disposal of revalued property, plant and equipment transferred to retained earnings - net of deferred tax	-	(1,207,000)
	1,086,794,560	1,101,751,321

*Note 6, Surplus on Revaluation of Property, Plant and Equipment - Contd...*

- 6.1 This represents surplus over book value resulting from the revaluation of above-mentioned assets, adjusted by incremental depreciation and related deferred tax arising on revaluation of the above-mentioned assets except freehold land. Latest revaluation was carried out by an approved, independent valuer on June 30, 2022 that resulted in additional revaluation surplus of Rs. 641.915 million. Following basis were used for revaluation:
- | | |
|---|------------------------------|
| - Freehold land | Market value |
| - Factory building on freehold Land | Depreciated replacement cost |
| - Plant and machinery | Depreciated replacement cost |
| - Electric fittings, equipment and appliances | Depreciated replacement cost |
- 6.2 The surplus on revaluation of property, plant and equipment is not available for distribution to the shareholders in accordance with section 241 of the Companies Act, 2017.
- 6.3 Incremental depreciation charged on revalued property, plant and equipment has been transferred to retained earnings to record realization of surplus to the extent of incremental depreciation. Incremental depreciation represents the difference between actual depreciation based on revalued carrying amount of the asset and equivalent depreciation based on the original carrying amount of the asset.

Note 7

Long Term Financing

	Note	2023 Rupees	2022 Rupees
Related parties - Unsecured			
Loan from Directors / Related parties - Undiscounted amount	7.1	58,066,037	64,209,144
Loan obtained during the year		-	4,800,010
Effect of discounting		(8,172,670)	-
Fair value of subsidized loan		49,893,367	69,009,154
Unwinding of discount		401,324	-
Repayment		(8,250,020)	(10,943,117)
		42,044,671	58,066,037
Less: Current portion		(15,749,980)	(12,000,000)
		26,294,691	46,066,037

- 7.1 This represents financing obtained from directors / related parties from time to time, to meet the liquidity requirements of the Company. This loan is repayable in equal monthly installments of Rs. 1 million each. This loan is unsecured and carries markup @ 10% per annum (2022: 3 months KIBOR plus 1%). Pursuant to the change in Company's policy, effective from 1st July 2022, this subsidized loan has been recognised at fair value being the present value of the future outflows as per the agreed loan the repayment schedule. The present value is calculated by applying the discount rate of 6.32% per annum, being the market differential subsidy. The difference between the fair value of loan and actual receipt (carrying amount) has been recognized as other income (refer to note no. 27). During the year, the unwinding of discount of Rs. 401,324 (2022: Nil) has been recognized as part of finance cost.

Note 8
Post Employment Benefit Obligations

	2023 Rupees	2022 Rupees
Post employment benefit obligations	21,668,309	14,758,772

- 8.1 As stated in note 4.2, the Company operates an approved unfunded gratuity scheme for its permanent employees. Actuarial valuation of the scheme is carried out annually by an independent actuary and the latest actuarial valuation was carried out at June 30, 2023.

Risks on account of defined benefit plans

The Company faces the following risks on account of defined benefit plans:

Final salary risk - The risk that the final salary at the time of cessation of service is greater than what the Company has assumed. Since the benefit is calculated on the final salary, the benefit amount would also increase proportionately.

Discount rate fluctuation - The plan liabilities are calculated using a discount rate set with reference to government bond yields. The term of assumed yield of the government bonds is consistent with estimated term of the post-employment benefit obligations.

- 8.2 On the basis of the information included in the latest actuarial report, the actuarial valuation of the scheme has resulted in post employment benefit obligations in current year as presented in the following notes:

- 8.3 Actuarial assumptions

The present value of defined benefit obligations and charge for the current year has been determined on the basis of actuarial estimates provided by the actuary as under:

Discount rate for year end obligation	16.25%	13.25%
Discount rate for interest cost in P/L	13.25%	10.00%
Expected rate of increase in salary level - per annum	15.25%	12.25%
Expected mortality rate for active employees	SLIC (2001-2005) Mortality Table	
Actuarial valuation method	Projected Unit Credit Method	

	Note	2023 Rupees	2022 Rupees
8.4 Balance sheet reconciliation			
Present value of the defined benefit obligation	8.5	21,668,309	14,758,772
Fair value of plan assets		-	-
Deficit		21,668,309	14,758,772
Unrecognized asset		-	-
Net liability recognized in balance sheet		21,668,309	14,758,772
8.5 Movement in net liability for defined benefit obligations			
Opening balance		14,758,772	11,956,214
Charge for the year	8.8	9,765,814	5,210,692
Remeasurements chargeable in other comprehensive income		(265,947)	3,351,861
Benefits paid		(2,590,330)	(5,759,995)

Difference between provision and assessed amount	142,125	(6,928,383)	(7,875)

Note 13
Contingencies and Commitments

13.1 Contingencies

The income tax department has raised demand of Rs. 15,039,454 in respect of tax year 2023 through an order passed under section 205 / 147 of the Income Tax Ordinance, 2001. The Company has filed appeal against the demand before Commissioner Inland Revenue (CIR). The matter is still pending before CIR. The management does not foresee any adverse outcome against the Company based on the opinion of legal advisor, therefore no provision is recorded in these financial statements.

13.2 Commitments

There are no material commitments outstanding as at the reporting date (2022: Nil).

Note 14, Property, Plant and Equipment - Contd...

14.1 Cost, accumulated depreciation and book value of revalued assets

Latest revaluation of property, plant and equipment was carried out by an independent valuer (refer to note 6) as on June 30, 2022. Had there been no revaluation, the net book values of revalued assets would have been as under:

	As on June 30, 2023	
	Net book value	Forced sales value
	Rupees	Rupees
Land	16,298	761,760,000
Factory building	3,471,825	68,665,968
Plant and machinery	138,585,466	186,972,000
Electric fittings, equipment and appliances	1,666,353	12,600,000
	143,739,942	1,029,997,968

14.2 Depreciation charge for the year has been allocated as under:

		2023	2022
	Note	Rupees	Rupees
Cost of sales	22	40,747,002	41,736,115
Administrative expenses	24	750,875	679,286
		41,497,877	42,415,401

14.3 Particulars of immovable property (i.e. land and building) in the name of Company are as follows:

Location / Address	Usage of immovable property	Total Area (Kanals)
Rehman Shaheed Road, Industrial Area G.T Road, Gujrat.	Production and warehouse	52.9

14.4 Particulars of property / asset not held in the name of the Company/not in the possession and control of the Company

All assets are held in the name of the Company/ in the possession and control of the Company.

14.5 The details of property, plant and equipment disposed off during the year having individual book value exceeding Rs. 500,000 or more:

No disposals were made during the year.

14.6 The significant inputs used in the fair value measurements categorized within Level 1, Level 2 and Level 3 of the fair value hierarchy, together with a quantitative sensitivity analysis as at June 30, 2023 is shown below:

Description	Valuation Technique	Significant Observable Inputs	Fair value Hierarchy	Quantitative Data / Range (weighted average)
Land	Sales value comparison approach	Market enquiries and survey as per kanal/marla for land	Level 2	NIL
Factory building		Market survey	Level 2	
Plant and machinery		Market value of machinery considering condition, manufacturing date, country of manufacturing and replacement value	Level 2	
Power plant		Market and replacement value	Level 2	
Electric fittings, equipment and appliances			Level 2	

14.7 There are no Level 1 and Level 3 assets or any transfers between Level 1, 2 and 3 during the year.

14.8 Property, plant and equipment contains fully depreciated assets, having cost of Rs. 11,856 (2022: Rs. 11,856) that are still in use as at the reporting date.

Number of persons	1	1	4		1	1	4	

- 31.1 Apart from the above, the chief executive officer and executives are provided with Company maintained cars.
- 31.2 No meeting fee has been paid to any director of the Company.
- 31.3 An executive is defined as an employee, other than the chief executive and directors, whose basic salary exceeds Rs. 1.2 million in a financial year.

Note 32

Transactions with Related Parties

Related parties comprise directors and associates of the Company, undertakings their close relatives and key management personnel. The Company in the normal course of business carries out transactions with various related parties. Significant transactions with related parties and balances due to / from them are as under:

Transactions during the year			2023 Rupees	2022 Rupees
Related party	Relationship	Nature of transaction		
Directors and close relatives thereof	Associated persons	Long term financing Obtained	-	4,800,010
		Long term financing repaid	(8,250,020)	(10,943,117)
		Markup charged on long term financing	5,317,830	2,597,061
		Markup on long term financing repaid / adjusted	(209,547)	(8,143,117)
		Short term borrowings obtained	26,720,000	7,600,000
		Short term borrowings repaid	-	(7,600,000)
		Dividend paid	-	7,820,656
M/S Gujranwala Welfare Clinic	Common Directorship	Donation paid during the year	120,000	(940,000)
Balance outstanding as at June 30,			2023 Rupees	2022 Rupees
Payable to directors and close relatives thereof	Long term financing		42,044,671	58,066,037
	Accrued markup on long term financing		4,916,506	-
	Short Term Borrowing		26,720,000	-

Note 32, Transactions with Related Parties - Contd...

- 32.1 Following are the related parties with whom the Company had entered into transactions or have arrangement / agreement in place.

Sr No	Name of Related Party	Basis of Relationship	Aggregate % of Shareholding
1	Mr. Mohammad Hameed	CEO	17.49
2	Mr. Aamer Hameed	Executive Director	16.65
3	Mr. Ijaz Hameed	Non Executive Director	15.61
4	Ms. Uzma Hameed	Related party close relationship of Director	13.52
5	Ms. Saima Hameed	Related party close relationship of Director	9.08
6	Mr. Tariq Hameed	Non Executive Director	0.65
6	Ms. Rubina Ijaz	Related party- Spouse of Mr. Ijaz Hameed	2.86%

Note 33

Plant Capacity and Production

	2023 KGs	2022 KGs
100% plant capacity converted into 20/S (2022: 20/S) count based on three shifts per day for 1080 shifts (2022: 1080 shifts)	7,036,705	7,036,705
Actual production for the year converted into 20/S (2022: 20/S)	4,933,105	4,895,093

Plant capacity is determined on the basis of management estimates as it is difficult to calculate precisely the production capacity of spinning unit. The production capacity fluctuates widely depending on various factors such as count of yarn spun, spindle speed, twist, maintenance of machinery, power shutdown and raw materials used, and the pattern of production adopted in any particular year.

Note 34

Financial Risk Management

The Company's activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on having cost efficient funding as well as to manage financial risk to minimize earnings volatility and provide maximum return to shareholders.

Risk management is carried out by the Board of Directors (the Board). The Board provides principles for overall risk management as well as policies covering specific areas such as currency risk, other price risk, interest rate risk, credit risk and liquidity risk.

34.1 Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign currency, interest rate, commodity price and equity price that will affect the Company's income or the value of its holdings of financial instruments.

Currency risk

Foreign currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. This exists due to the Company's exposure resulting from outstanding import and export payments. As there are no foreign currency receivables / payables of the Company, it is not exposed to currency risk (2022 : Rs. Nil).

Note 34, Financial Risk Management - Contd...

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's interest rate risk arises from short and long term borrowings. These are benchmarked to variable rates which expose the Company to cash flow interest rate risk.

As the Company has no significant floating interest rate assets, the Company's income is substantially independent of changes in market interest rates. The interest rate profile of the Company's interest-bearing financial instruments as at the reporting date is as follows:

	2023	2022
	----- Rupees -----	
Floating rate instruments		
Financial liabilities		
Long term financing	-	58,066,037
Fixed rate rate instruments		
Long term financing	42,044,671	-

Cash flow sensitivity analysis for variable rate instruments

As at June 30, 2023, if interest rates on the Company's borrowings had been 1% higher / lower with all other variables held constant, profit before tax for the year would have been higher / lower by Rs. Nil. (2022: Rs. Rs. 0.581 million), mainly as the Company has no variable rate borrowings as at the reporting date.

Cash flow sensitivity analysis for fixed rate instruments

The profit before taxation for the year would have no fluctuation due to change in rate at reporting date.

Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Company is not exposed to any market price risk.

34.2 Credit risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Credit risk of the Company arises from deposits with banks, trade receivables and other receivables. The management assesses the credit quality of the customers, taking into account their financial position, past experience and other factors. The utilization of credit limits is regularly monitored. For banks and financial institutions, only independently rated parties with a strong credit rating are accepted.

The Company monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings, if any. As at the reporting date, the maximum exposure to credit risk is equal to the carrying amount of the financial assets as detailed below:

		2023	2022
	Note	----- Rupees -----	
Long term deposits	15	19,367,023	19,337,023
Trade debts	18	2,196,115	2,444,083
Cash and bank balances	20	19,183,505	34,912,384

Note 34, Financial Risk Management - Contd...

The aging of trade debts as at the reporting date is as follows:

	2023	2022
	----- Rupees -----	
Past due 1 - 30 days	2,196,115	2,444,083
Past due 31 - 60 days	-	-
Past due 61 - 120 days	-	-
More than 120 days	-	-
	<u>2,196,115</u>	<u>2,444,083</u>

Customer credit risk is managed by each business unit subject to the Company's established policies, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. The Company believes that it is not exposed to major concentration of credit risk as its exposure is spread over a large number of counter parties.

An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The provision rates are based on days past due for groupings of various customer segments with similar loss patterns (i.e., by geographical region, product type, customer type and rating, and coverage by letters of credit or other forms of credit insurance). The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions. The Company does not hold collateral as security.

The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are operated in largely independent markets. The credit risk on liquid funds is limited because the counter parties are either banks (with reasonably high credit ratings) and trade receivables for which the exposure is spread over a large number of counter parties.

The credit quality of bank balances that are neither past due nor impaired can be assessed by reference to external credit ratings (if available) or to historical information about counterparty default rate:

	Rating		Rating Agency	2023	2022
	Short term	Long term		Rupees	Rupees
National Bank of Pakistan	A1+	AAA	PACRA	2,488	2,488
MCB Bank Limited	A1+	AAA	PACRA	111,866	5,254,624

				<u>17,436,813</u>	<u>34,438,087</u>

Note 34, Financial Risk Management - Contd...

34.3 Liquidity risk

Liquidity risk represents the risk that the Company will encounter difficulties in meeting obligations associated with financial liabilities. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities, the availability of funding through an adequate amount of committed credit facilities. Due to dynamic nature of the business, the Company maintains flexibility in funding by maintaining committed credit lines available. The Company's liquidity management involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios and maintaining debt financing plans. The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period as at the reporting date to contractual maturity dates. The amounts disclosed in the table are the contractual undiscounted cash flows:

Contractual maturities of financial liabilities as at June 30, 2023:

Description	Carrying Amount	Contractual cash flows	Within 1 year	1-2 Years	2-5 Years	5 - 10 years
.....Rupees in '000'.....						

Contractual maturities of financial liabilities as at June 30, 2023:

Long term financing	42,045	113,287	8,585	9,041	30,366	65,295
Short term borrowings	26,720	26,720	26,720	-	-	-
Trade and other payables	160,897	160,897	160,897	-	-	-
Accrued markup	4,917	4,917	4,917	-	-	-
	<u>266,216</u>	<u>337,458</u>	<u>232,756</u>	<u>9,041</u>	<u>30,366</u>	<u>65,295</u>

Contractual maturities of financial liabilities as at June 30, 2022:

Long term financing	58,066	112,054	11,858	12,487	41,938	45,771
Trade and other payables	73,692	73,692	73,692	-	-	-
	<u>131,758</u>	<u>185,746</u>	<u>85,550</u>	<u>12,487</u>	<u>41,938</u>	<u>45,771</u>

34.4 Financial instruments by categories

Financial assets as at amortized cost

Trade debts

Cash and bank balances

Financial liabilities at amortized cost

Long term financing

Short term borrowings

Trade and other payables

Accrued markup

	2023	2022
	Rupees	Rupees
Trade debts	2,196,115	2,444,083
Cash and bank balances	19,183,505	34,912,384
	<u>21,379,620</u>	<u>37,356,467</u>
Financial liabilities at amortized cost		
Long term financing	42,044,671	58,066,037
Short term borrowings	26,720,000	-
Trade and other payables	160,896,530	73,691,725
Accrued markup	4,916,506	-
	<u>261,297,707</u>	<u>131,757,762</u>

34.5 Fair value of financial instruments

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences may arise between the carrying value and the fair value estimates.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. Fair value is determined on the basis of objective evidence at each reporting date. The management believes that the fair values of financial assets and financial liabilities approximate to their carrying amounts largely due to the short term maturities of these instruments.

Note 35 Capital Risk Management

The Company's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of the Company's business. The Board of Directors monitors the return on capital employed, which the Company defines as operating income divided by total capital employed. The Board of Directors also monitors the level of dividends to ordinary shareholders.

The Company's objectives when managing capital are:

- to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders; and
- to provide an adequate return to shareholders.

The Company manages the capital structure in the context of economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may, for example, adjust the amount of dividends paid to shareholders, issue new shares, if possible, selling surplus property, plant and equipment without affecting the optimal production and operating level and regulating its dividend payout thus maintaining smooth capital management.

In line with the industry norms, the Company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (including current and non current) less cash and cash equivalents. Total capital is calculated as equity, as shown in the statement of financial position, plus net debt.

The gearing ratio of the Company is calculated as follows:

	2023	2022
	Rupees	Rupees
Total borrowings	68,764,671	58,066,037
Cash and bank balances	(19,183,505)	(34,912,384)
Net debt	49,581,166	23,153,653
Equity	1,010,125,440	1,167,855,050
Total capital employed	1,059,706,606	1,191,008,703
Gearing ratio	4.68%	1.94%

Note 36 Segment Information

Operating segments are reported in a manner consistent with the internal reporting used by the Chief Operating Decision Maker. The Chief Executive Officer (CEO) of the Company has been identified as the Chief Operating Decision Maker, who is responsible for allocating resources and assessing performance of the operating segments.

The CEO is responsible for the management of the Company's entire business which is considered as a single operating segment. The Company's assets allocation decisions are based on a single integrated investment strategy and the Company's performance is evaluated on an overall basis.

The internal reporting provided to the CEO for the Company's assets, liabilities and performance is prepared on a basis consistent with the measurement and recognition principles of approved accounting standards as applicable in Pakistan.

The Company is domiciled in Pakistan. All of the Company's income is from the entities incorporated in Pakistan. The Company has only one reportable segment.

36.1 Entity-wide disclosures regarding reportable segment are as follows:

- Information about major customers

One customer of the Company accounts for 21% (2022: 14%) of total sales for the year. Revenue from such customer is Rs. 260,261,440 (2022: Rs. 222,540,368).

- Information about geographical areas

- All non-current assets of the Company are located in Pakistan as at the reporting date.

- Information about product

- The major products of the company are Cotton Yarn 52/single, 40/single and 32/single.

Note 37

Number of Employees

	2023 Number	2022 Number
